June 21, 2023

The regular meeting of Wadsworth City Council, Wednesday, June 21, 2023, at 5:30 p.m., was held in-person at City Council Chambers.

PRESIDING: Bob Thurber, *President of Council*

MEMBERS PRESENT: Bruce Darlington, Tom Stugmyer, David Williams

VISITORS SPEAKING: *None*

PRESS REPRESENTATIVES: *Patrick Rhonemus, Medina Gazette*

Mr. Thurber called the meeting to order at approximately 5:30 p.m. He asked everyone to remain standing as he led the Pledge of Allegiance and gave the Invocation. The Clerk of Council called the roll.

MINUTES: *Meeting minutes were not considered due to lack of a quorum.*

Mr. Thurber said that minutes could not be approved since they did not have a majority of members. He asked both **Mr. Darlington** and **Mayor Laubaugh** whether this had ever happened before that they only had three City Council members present. Both recalled having not ever seeing that before. They were light on numbers, the Mayor commented.

Mr. Thurber said they would go forward with the Council meeting as advertised at that time and that date. He explained that some of the members were unavoidably absent, or they could have changed the time. It was late in that day when they got that message. They all had good excuses. They were good people with good reasons not to be there.

Mr. Thurber examined the agenda and said there was little they could really do. He asked members of the Administration if they had anything on their hearts and minds that they wanted to talk about.

Mr. Springer offered that the City presented legislation for two items that they had been working on for quite a few months. They would certainly be happy to answer any questions that Council might have that were still outstanding. Otherwise, he noted that they had provided some, attempted answers to questions late last week. Again, they would make themselves available to answer any questions.
